

**1.**

**I am:**

A young private, found in a shell hole in No Man's Land.

**I have:**

No physical wounds at all. However, I am unable to speak or stand properly and seem totally unresponsive.

**2.**

**I am:**

A German prisoner who has been severely beaten by rifle butts.

**I have:**

A broken nose, deep bruising to my eyes and have lost several teeth. I am dizzy and have been sick several times.

**3.**

**I am:**

A private who has been recovered from near the front line.

**I have:**

A gunshot wound to my forearm. The wound is clean, but the skin around my entrance wound is badly burned with cordite (an explosive, similar to gunpowder).

**4.**

**I am:**

A Lieutenant Colonel serving with the Royal Engineers  
Signal Section.

**I have:**

A badly sprained ankle after falling on uneven ground  
while running between two trenches.

**5.**

**I am:**

A Lance Corporal who has been shot in the thigh.

**I have:**

A bullet wound which has broken my thigh bone. I am in considerable pain.

**6.**

**I am:**

A corporal whose skull has been fractured by shrapnel.

**I have:**

Lost a lot of blood. I'm not conscious and my breathing is shallow and irregular.

**7.**

**I am:**

A Lieutenant who has been bayoneted in the abdomen.

**I have:**

A wound which is neat, closed and not bloody. I am tired and drowsy, but do not seem to be in pain and am quiet and compliant.

**8.**

**I am:**

A private who is vomiting profusely.

**I am:**

Coughing and choking and unable to catch my breath.

My lips are blue and my face is drawn.

**9.**

**I am:**

A private that has sustained three bad gashes to the head from machine gun bullets.

**I am:**

Covered in blood and screaming from pain.
